

## EcoCut Plus Flame Plasma CNC Cutting Machine Multifunctional Medium Sized

### Basic Information

### Product Specification

- Highlight: CNC Cutting Machine Multifunctional, CNC Cutting Machine Medium Sized, Flame Plasma Cutting Machine Multifunctional

### Product Description

#### EcoCut Plus Cutting Machine

EcoCut Plus is an improved medium-sized multi-functional flame plasma cutting machine developed by Huaheng cutting system according to the market demand. It is suitable for various processing of small and medium-sized enterprises and has a very high cost performance ratio.

Track Gauge (mm)	3000	3500	4000	4500	5000	5500	6000	7000
Effective cutting rang(mm)	2000	2500	3000	3500	4000	4500	5000	6000
Working length	Track length-2000mm							
Drive speed	12000mm/min							
Maximum configurable torches	6 (2 sets of plasma torches configurable)
