EasyCut Precision Flame Plasma Cutting Machine Track Length 1500mm 12m/Min

Our Product Introduction

Basic Information

Product Specification

- Working Width A (mm): A=B-500
- Track Gauge (mm): 2100/2600/3100/3600
- Max Width (mm): B+650
- Track Length: According To Customer Demand
- Working Length: Tracklength-1500mm
- Max Speed: 6m/min 12m/min
- Highlight: **Precision Flame Plasma Cutting Machine**, **EasyCut Flame Plasma Cutting Machine**, **12m/min cnc flame cutting Machine**
