

Huaheng Hot-Wire TIG Welding Equipment

Basic Information

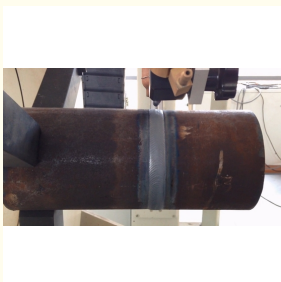

Product Specification

- Welding Process: H-TIG (Hot Wire) TIG
- 3H Hot Wire: High Efficiency, High Deposition Rate, High Quality
- Highlight: Hot Wire TIG Welding Equipment,
High efficiency TIG Welding Equipment

Product Description

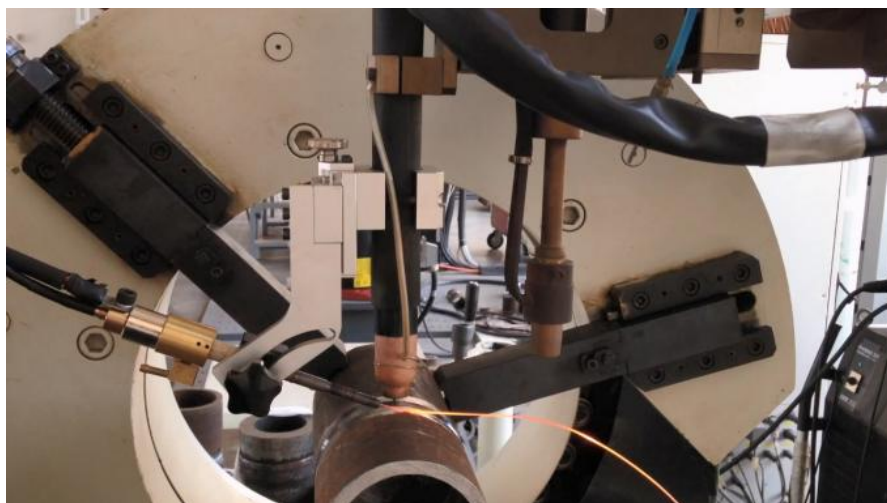

Huaheng's Unique Welding Process - H-TIG (Hot Wire) TIG

High efficiency, high deposition rate, high quality, 3H hot wire TIG pipe welding process

Achieve the dream of TIG welding quality with MIG welding speed

Unique high performance hot wire TIG process achieves both quality and efficiency

H-TIG, the revolutionary innovation in pre-fabrication of pipe spools
