

Robot Automation Welding And Cutting Application

Basic Information

- Brand Name: HUAHENG

Product Specification

- Intelligent Manufacturing Solution: Welding And Cutting
- Highlight: Automation Welding And Cutting, Robot Welding And Cutting

Product Description

Robotic Automation System

Excavation Machinery:

Energy And Power:

Elevator And Parts:

Our Product Introduction

for more products please visit us on huahengautomation.com

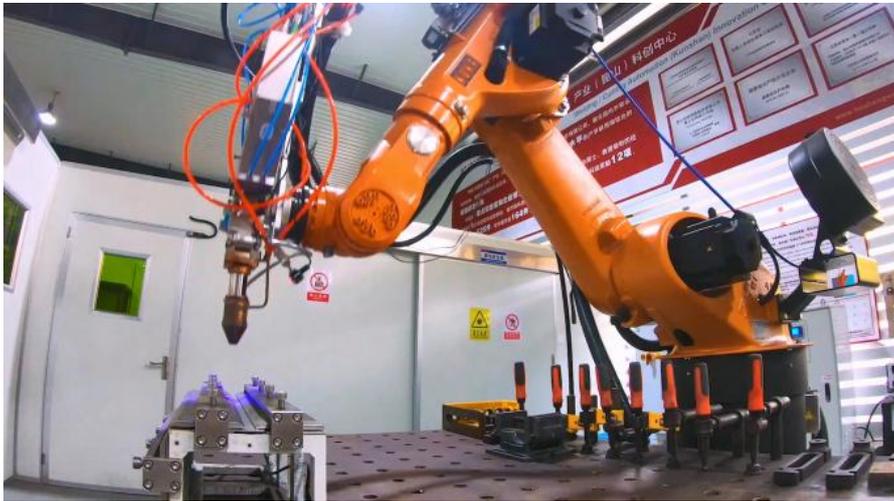

Turbine Blade Robot Welding:

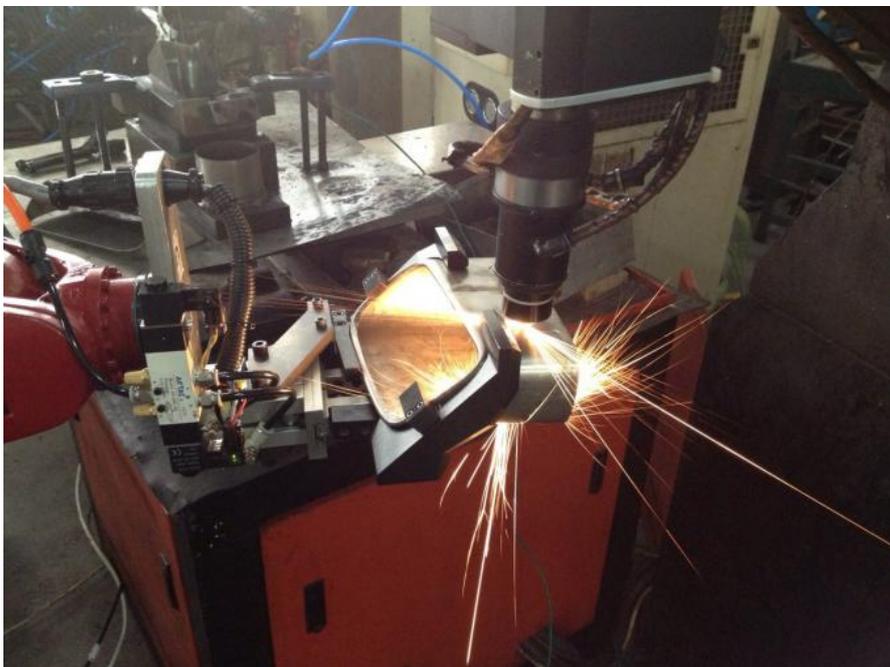

Climbing Frame Products:

Robotic Welding:

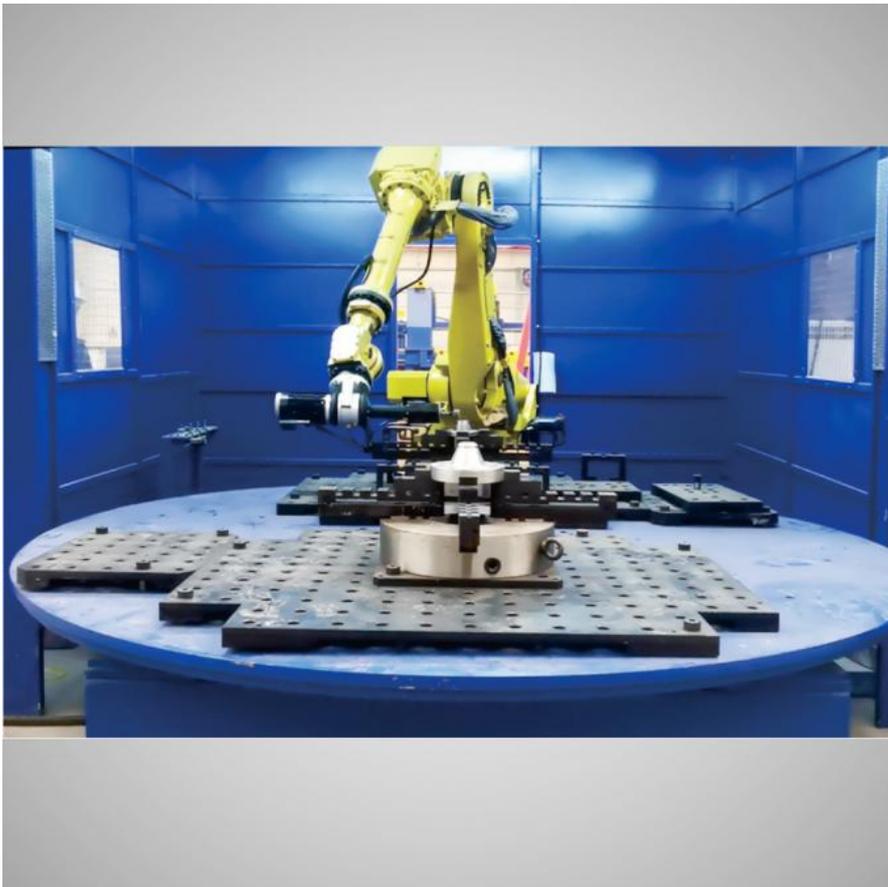

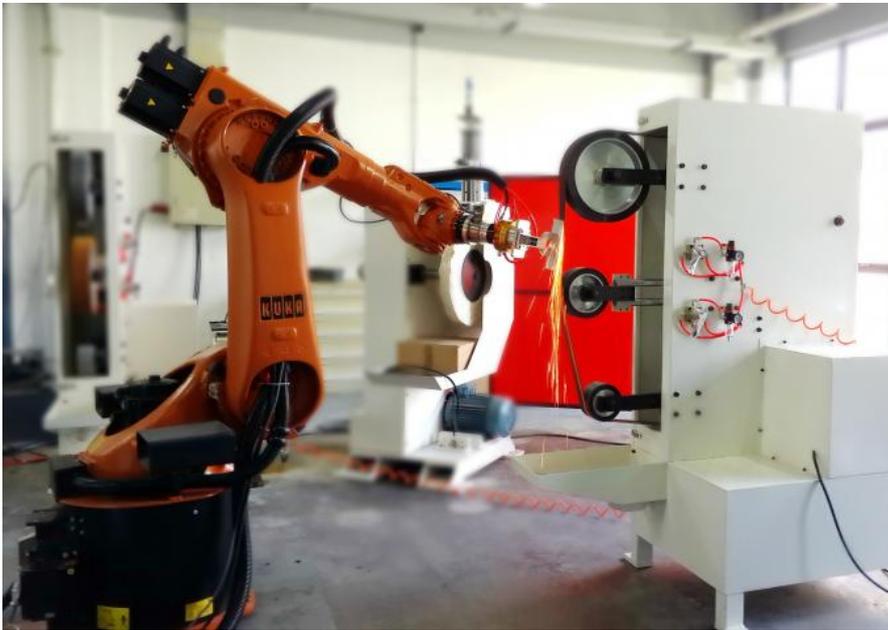

Robotic Cutting:

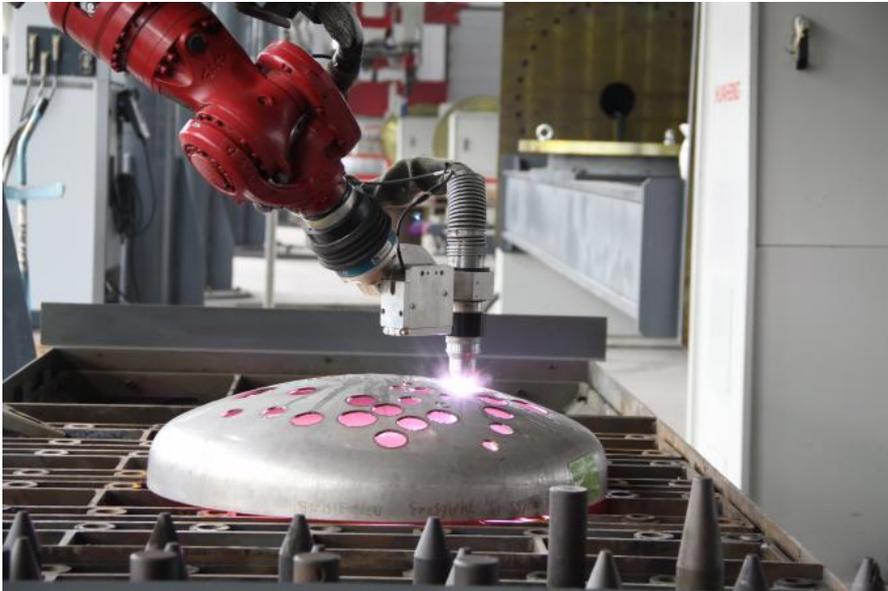

Robotic Grinding:

Robot Dish-end Cutting:

Robot Plasma Bevel Cutting:
