

Application Of Special Pipe TIG/MIG Welding Equipment

Our Product Introduction

Basic Information

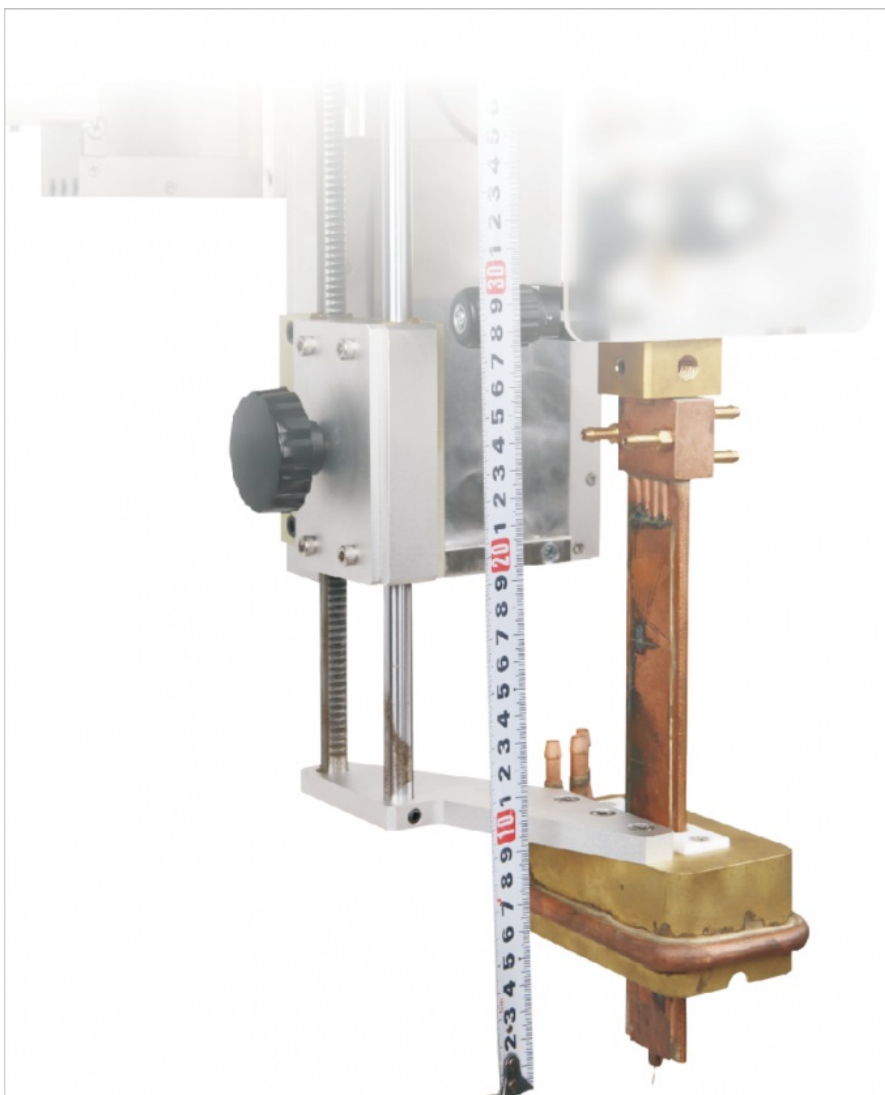

Product Specification

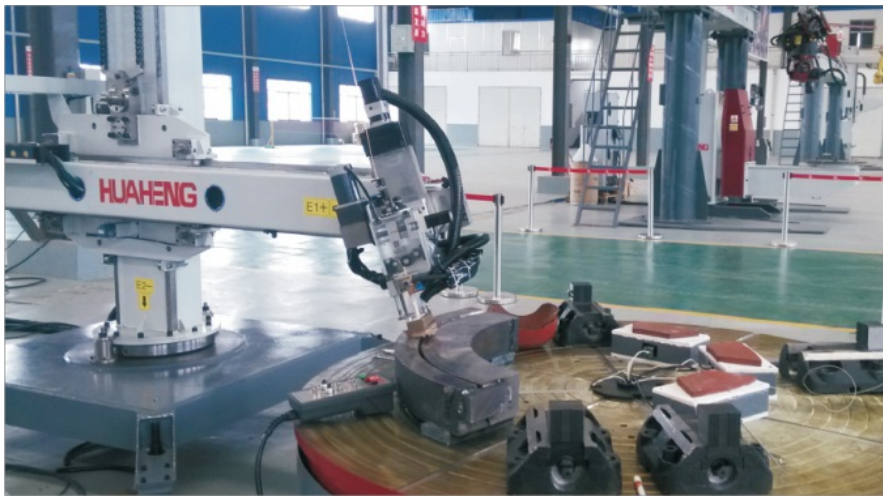

- Applicable Indust: Construction Machinery, Chemical Industry, Shipbuilding, Valve
- Welding Technology: Pipe TIG Welding, MIG Welding
- Highlight: **MIG Welding Equipment Application, TIG Welding Equipment Application**

for more products please visit us on huahengautomation.com

Product Description

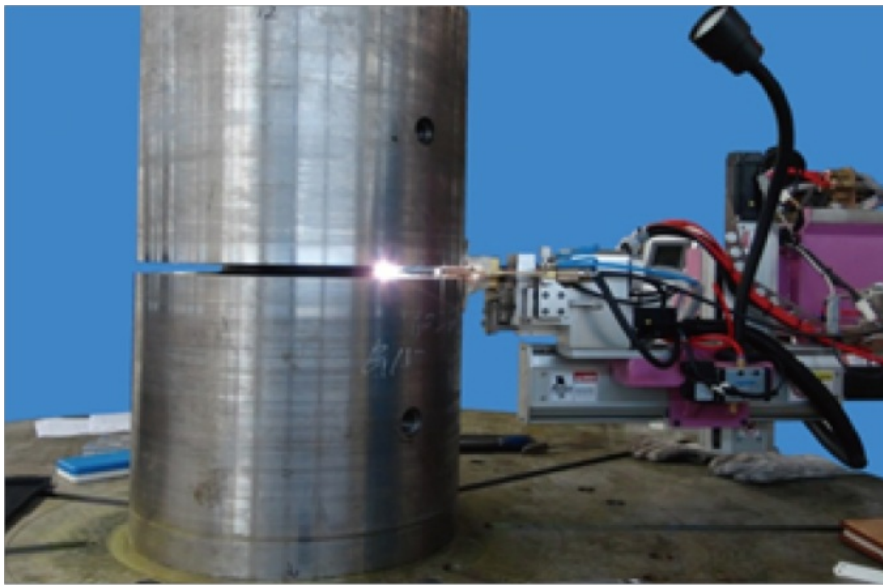

Steam Turbine Industry
Narrow Groove Welding System For Grating Baffle

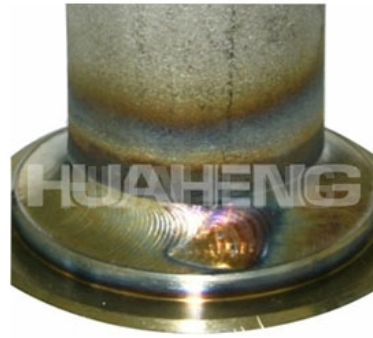

Steam Turbine Industry
TIG Narrow Groove Welding System For Valve Casing Connection Application

Construction Machinery Industry
Hydraulic pipe TIG welding system

GTX63S hydraulic pipe welding system
